

Sinclair Broadcasting MUST act responsibly, MUST follow the law to serve the public interest. Rethink airing "Stolen Honor", as that is not in the public interest; or if you do air it, please air the opposing (but true) Kerry story, "Going Upriver" afterwards.

At this most historic time in the history of the U.S., everyone...every citizen, must show that their main concern is for Democracy. If not now, when?

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
